Dear Loyal Subjects:

Let it be known that the Royal Entertainment Committee for Their Majesties, King Sparta LXVII....The Queen of Sparta for 2019, and their entire Court, announce the commencement of a Regal Culinary Tour to celebrate their Highnesses’ reign and lead appropriately into their lavish Coronation, Bal Masque, and Parade.

In keeping with the theme of their Spartan year, “Beyond the Sea”, Their Majesties will travel with their Royal Entourage (namely....all of us) to celebrate many of the most beautiful destinations found across the waves.

You have been selected, among the hundreds of thousands of Their Majesties’ subjects, to accompany our Monarchs on this eventful tour.....SUCH AN HONOR!

Here is what you must do in order to honor Their Highnesses with your presence at each stop on the tour:

1. Direct your attention to the “Royal Tour Schedule of Stops” (included with this letter) and mark your calendars for the events.
2. **R. S. V. P. for each event is a must !!!** (the Royal Entertainment Committee must keep a count of who will be with us....and some venues have limited seating) R.S.V.P. to any of the following numbers.
504-455-3309 (Dave & Syd Mulnick)
504-583-9773 (Dave Mulnick’s Cell)
504-452-4636 (Michael Vincent’s Cell)
Or by return email to - captain@knightsofsparta.com

Learn to pronounce the phrase “Achter De Zee”. That is how you say “Beyond the Sea” in Holland. This will come in handy....because we will all be going “DUTCH TREAT” to our events.

So.....Plan to join us for all of the fun as we embark upon our journey with the King and Queen of Sparta to visit all of the highlights of “Round the World Tour”.....and tastes both familiar and exotic!

Their Majesties’ Devoted Friends,

The Royal Entertainment Committee
(The Captain, First Lady, Officers, and Officers’ Ladies)
